Sir,

With reference to your letter No. 1456 Ml 86-17-20 dated the 5th September 1917 asking me to report, whether the objections by the inhabitants, to the inclusion of the marginally noted three Villages in the Channagiri Taluk, in the proposed limits of the Channagiri Town Municipality are well founded, I have the honor to state that the Sub Division Officer, Shimoga, who inspected the Villages in question, and held a local enquiry on the 31st ultimo and 1st Instant, reports that the Villages are all over a mile from Channagiri and consist mostly of thatched houses many of which are vacant and that there are no traders, the inhabitants being mostly poor agriculturasts. He is of opinion that the inclusion of the Villages in Channagiri Municipality does not bring in any additional income to the Municipality and it will not be possible to give them any municipal benefit, such as lighting, scavenging, Etc, without additional burden to the Municipality which is already poor.

1. Diggenahalli.
2. Muddenahalli.
3. Chikkahulikere.

I would therefore suggest the omission of the Villages in question from the proposed limits of the Channagiri Municipality.

The three petitions received with his letter under advertance are herewith resubmitted for reference
